ABOUT EURAXESS - RESEARCHERS IN MOTION

EURAXESS - Researchers in Motion is a unique pan-European initiative providing information and support services to professional researchers.

Supported by the European Union, Member States and Associated Countries, it supports the mobility of researchers, while strengthening scientific collaboration between Europe and the world.

THE EURAXESS SERVICE CENTRE OF THE UPJV

Are you a researcher, teacher-researcher, doctoral or post-doctoral student ?

Would you like to join us at the UPJV ?

The UPJV's EURAXESS Service Centre offers you **personalised support** in preparing your stay and your installation in Amiens.

Our team's mission is to provide you with a high-quality welcome at the UPJV, by facilitating all the administrative formalities linked with your international mobility : before your arrival, when you settle in and during your stay.

Thanks to the support of the **Amiens Métropole Council** and the privileged partnerships developed with key partners, including the **Amiens-Picardie Chamber of Commerce and Industry (CCI)**, our **EURAXESS Service Centre**, with the support of the **Welcome Mobility Department**, speeds up your procedures and allows you to concentrate on the essential : your research projects within our university !
